

**BOROUGH OF LITTLE FERRY  
STATE OF NEW JERSEY  
ORDINANCE NO. 1601-15-23**

**AN ORDINANCE AMENDING  
THE REVISED GENERAL ORDINANCES OF  
THE BOROUGH OF LITTLE FERRY,  
COUNTY OF BERGEN  
AND STATE OF NEW JERSEY**

**BE IT ORDAINED** by the Mayor and Council of the Borough of Little Ferry, that Chapter 27 entitled Environmental Regulations of the Ordinances of the Borough of Little Ferry is hereby amended to include Section 27-4 *et seq.* entitled "Privately-Owned Salt Storage," as set forth below and is hereby added as follows and that those portions of the Ordinance not set forth below shall remain unchanged.

**Section 27-4 - Privately-Owned Salt Storage**

**Section 27-4.1. Purpose:**

The purpose of this ordinance is to prevent stored salt and other solid de-icing materials from being exposed to stormwater. This ordinance establishes requirements for the storage of salt and other solid de-icing materials on properties not owned or operated by the municipality (i.e., privately-owned) in Little Ferry to protect the environment, public health, safety and welfare, and to prescribe penalties for failure to comply.

**Section 27-4.2. Definitions:**

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When consistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

- A. "De-icing materials" means any granular or solid material such as melting salt or any other granular solid that assists in the melting of snow.
- B. "Impervious surface" means a surface that has been covered with a layer of material so that it is highly resistant to infiltration by water.
- C. "Storm drain inlet" means the point of entry into the storm sewer system.

- D. "Permanent structure" means a permanent building or permanent structure that is anchored to a permanent foundation with an impermeable floor, and that is completely roofed and walled (new structures require a door or other means of sealing the access way from wind driven rainfall).

A fabric frame structure is a permanent structure if it meets the following specifications:

1. Concrete blocks, jersey barriers or other similar material shall be placed around the interior of the structure to protect the side walls during loading and unloading of de-icing materials;
2. The design shall prevent stormwater run-on and run through, and the fabric cannot leak;
3. The structure shall be erected on an impermeable slab;
4. The structure cannot be open sided; and
5. The structure shall have a roll up door or other means of sealing the access way from wind driven rainfall.

- E. "Person" means any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.

**Section 27-4.3. De-Icing Material Storage Requirements:**

- A. Temporary outdoor storage of de-icing materials in accordance with the requirements below is allowed between October 15<sup>th</sup> and April 15<sup>th</sup>, but no longer than 30 days without prior written approval from the Little Ferry Police Department:
1. Materials shall be placed on a flat, impervious surface in a manner that prevents stormwater run-through;
  2. Materials shall be placed at least 50 feet from surface water bodies, storm drain inlets, and/or ditches or other stormwater conveyance channels;
  3. Materials shall be formed in a cone-shaped storage pile;
  4. All storage piles shall be covered as follows:
    - a. The cover shall be waterproof, impermeable, and flexible;
    - b. The cover shall extend to the base of the pile(s);
    - c. The cover shall be free from holes or tears;

- d. The cover shall be secured and weighed down around the perimeter to prevent removal by wind;
- e. Weight shall be placed on the cover(s) in such a way that minimizes the potential of exposure as materials shift and runoff flows down to the base of the pile.

(1) Sandbags lashed together with rope or cable and placed uniformly over the flexible cover, or poly-cord nets provide a suitable method. Items that can potentially hold water (e.g., old tires) shall not be used.

5. The site shall be free of all de-icing materials between April 16<sup>th</sup> and October 14<sup>th</sup>.

B. De-icing materials should be stored in a permanent structure if a suitable storage structure is available. For storage of solid de-icing materials in a permanent structure, such storage may be permanent, and thus not restricted to October 15 - April 15.

C. The property owner shall designate a person(s) responsible for operations at the site where these materials are stored, and who shall document that weekly inspections are conducted to ensure that the conditions of this ordinance are met.

**Section 27-4.4. Exemptions:**

This ordinance does not apply to facilities where the stormwater discharges from salt storage activities are regulated under another NJPDES permit.

**Section 274.5. Enforcement:**

This ordinance shall be enforced by the Little Ferry Police Department during the course of ordinary enforcement duties.

**Section 27-4.6. Violations and Penalties:**

Any person(s) who is found to be in violation of the provisions of this ordinance shall have 72 hours to complete corrective action. Repeat violations and/or failure to complete corrective action shall result in fines as more fully set forth in Chapter 1, Section 1-5 *et seq.*

**REPEALER**

All Ordinances or parts of Ordinances inconsistent herewith are repealed as to such inconsistencies.

**SEVERABILITY**

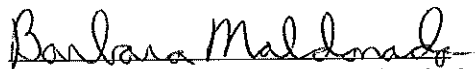

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

**EFFECTIVE DATE**

This ordinance shall take effect upon passage and publication as provided by law.

**ATTEST:**

**BOROUGH OF LITTLE FERRY**

  
Barbara Maldonado, Borough Clerk
